

Quantum Future Academy *2025*

Today's insights for tomorrow's experts.

23-30 August 2025
Amsterdam, Delft, Jülich,
Aachen

Quantum Future Academy 2025

NDL & GER

What is the Quantum Future Academy in general?

- Initiative of the Federal Ministry of Education and Research within the Quantum Future Program
- Annual, 1-2 weeklong summer school for young talents in the field of applied quantum technologies
- Students obtain exclusive insights into the world of applied quantum technologies as well as unique opportunities to get into touch with key players in industry and science of the field
- Participation is free of charge. Housing and most meals will be provided. Travel expenses will be reimbursed.
